

Never too Hot, Never too Cold...

An outdoor paradise with perfect year-round climate and 20 miles of wide, sandy beaches that literally melt into the blue Pacific, **Rosarito** is the ideal place to escape whether it's for a day, a weekend or longer.

The Playground of Baja!

Once you're here, take a leisurely walk along the beach. Or get athletic. Go surfing, fishing, kayaking, swimming, hiking, biking, bodyboarding or horseback riding in the historical **Rosarito** Canyon. Play some tennis or golf, or some volleyball right on the beach!

Ahhh... the Nightlife

At night, **Rosarito** absolutely bursts at the seams with life. There are wild and crazy bars where you can ride a mechanical bull, play volleyball in the sand, shoot tequila, dance 'till you drop and party till the roosters crow. There are authentic Mexican floor shows, karaoke bars, sedate and elegant night clubs and plenty of places in between.

Discover the Baja Galleries... You Will Be Amazed!

In the last few years there has been a virtual explosion of Baja Galleries and a thriving artist community. You'll find remarkable pieces of art that you cannot live without, and you definitively will be back for more!

Shopping... Welcome to Paradise!

Shopping in **Rosarito** is unlike anything you've ever experienced... every store is an adventure! Mexican craftsmanship is legendary, and it's all in **Rosarito**. All up and down our main street are shops where you can choose from an array of hand carved wooden or custom wrought iron tables, chairs and bar stools. You can pick out a sofa and have it covered in hand woven Mexican Fabric.

Find the perfect armoire or a beautifully framed, hand carved mirror. Most shops take orders and will custom make you anything you'd like. What else can you find here? Fountains, pots, hand painted tile, and more. Buy a piñata for the kids, along with Mexican toys and dolls. How about a tall and elegant blue bottle of Tequila for your favorite Tequila aficionado, or a bottle of duty free French perfume for that special person in your life?

How to get to Rosarito Beach

If driving, cross the border into Mexico at San Ysidro and follow the signs that read "Ensenada-Rosarito Cuota." This road parallels the border for about four miles, then heads over a hill where you'll be alerted to exit. You will pass through the first of three toll gates on the way to Ensenada. Tolls are less than \$2.70 at each booth and all have clean restrooms. There are four exits into Rosarito Beach. If you're on foot, grab a taxi that says "Rosarito" on it immediately after you cross the border. Or take a shuttle bus directly to Rosarito from San Ysidro on the U.S. side.
